Assembly

With right sides facing, using whipstitch through back loops of sts, sew all motifs together from corner ch to corner ch. Arrange all motifs following assembly diagram, balancing out colors. When sewing together small squares to large squares, count joining seam of small squares as a stitch. Sew rectangles through 31 sts at top or bottom to 31 sts of large squares. Sew sides of rectangles and join small and large squares tog (45 sts on rectangles to 46 on large and small squares) easing in extra st on joined large square and small square side.

Border

With right side facing, join **A**, in first sc to the left of top right corner ch-2 space.
