★ *No skills required.*

Designed by Marilyn Coleman.

Panda measures approximately 6½" high; **Teddy** measures approximately 5½"; **Ladybug** measures approximately 2¼"; **Black-eyed Susans** measure approximately 3" across; **Pencil Can** measures 4" high.

RED HEART® "Grandé", Art. E720 (6 ounce solid/4½ ounce multicolor skeins): **Panda:** 2 Ounces each No. 2101 White and No. 2112 Black; **Teddy:** 4 ounces No. 2332 Linen; **Ladybug:** ½ ounce No. 2915 Cranberry and small amount No. 2112 Black; **Black-eyed Susans:** small amounts No. 2112 Black for each flower; **Pencil Can:** ½ ounce No. 2934 Candy.

Panda: Two 15mm wiggle eyes, small amounts of black and red felt; **Teddy:** Two 15mm wiggle eyes, small amounts of black and pink felt; **Ladybug:** Two 5mm wiggle eyes, small amount of black felt, 4" length of black worsted weight yarn; **Black-eyed Susans (For Each):** Two 5mm wiggle eyes, 3" square of yellow-orange felt, small amount of green felt, green chenille stem; **Pencil Can:** One empty, clean and dry 10¼ ounce soup can.

For All: SUSAN BATES® Easy Wrap Pom Pon Maker, Art. 14063; scissors; a few yards of matching worsted weight yarn to tie centers of pom pons; hot glue gun and glue sticks; white craft glue.

PANDA: Following directions included with pom pon maker, (1) use yellow pieces to make two 3½" white pom pons (one for head and one for body); (2) use green pieces to make two 2½" black pom pons for legs; (3) use purple pieces to make two 1¾" black pom pons for arms; (4) use white pieces to make one 1" white pom pon for muzzle; (5) use white pieces to make two 1" black pom pons for ears. Trim each pom pon until round. With hot glue, glue head and body together; glue on legs, arms, muzzle, and ears.

Cut two eye patches and one nose from black felt; cut tongue from red felt. With craft glue, glue wiggle eyes to tapered end of eye patches; glue patches to each side of muzzle as pictured. Glue nose to muzzle. Separate yarn strands on muzzle below nose and glue tongue in place.

TEDDY: Make same as Panda EXCEPT make all pom pons with linen and trim all pom pons ¼" smaller than above. Omit eye patches and glue wiggle eyes directly to head above muzzle. Cut tongue from pink felt and nose from black felt and glue as above.

LADYBUG: Following directions included with pom pon maker, (1) use green pieces to make one 2½" cranberry pom pon; (2) use white pieces to make one 1" black pom pon. Trim. Cut six ¼" round polka dots from black felt. With hot glue, glue head to body. With craft glue, glue eyes to head and polka dots to body; glue one strand of black worsted weight yarn down center of body to denote wings.

BLACK-EYED SUSANS: Following directions included with pom pon maker, use white pieces to make one 1" black pom pon for each flower. Trim. Cut flower from yellow-orange felt and 2 leaves from green felt. With hot glue, glue pom pon to center of flower, glue back of flower to chenille stem; glue leaves to chenille stem. With craft glue, glue eyes to pom pon.

PENCIL CAN: Spread craft glue around circumference of can, approximately one inch at a time, and wrap yarn around can making sure wraps are close together to cover the metal; repeat until can is entirely covered.
