Eco-Cotton™ Blend Art. E749

Over 2.5 billion pounds a year of textile waste hits our landfills. That's 10 lbs. for every person in the United States! Red Heart is working to help reduce this number with a yarn made with 75% Eco2 Cotton, recycled cotton from t-shirt fabric remnants. Crafting green has never been easier!

75% Recycled Cotton (Eco2 Cotton), 25% Acrylic
3 oz (85 g) approx. 145 yds (132 m)
Machine wash cold, gentle
cycle; lay flat to dry.
